

# Uninterrupted Gas Unhindered Business

*Seamless supply,  
simple billing-  
designed for  
restaurants, hotels,  
bakeries, hospitals  
and institutional  
kitchens.*

**PNG**

#WahKya **ENERGY** Hai

## Benefit of Commercial PNG

- Burns clean-better kitchen hygiene & lower emissions.
- Uninterrupted supply-no cylinder runs, no downtime.
- Billing on actual consumption-fair, transparent costing.
- No on-site fuel storage-saves space and reduces risk.
- Scales as you grow-from a cafe to a hotel chain.
- Ideal for: commercial kitchens, hotels, hospitals, cloud kitchens, bakeries, hostels, institutional catering.

## Why Choose PNG?

- Uninterrupted 24x7 Gas Supply – No cylinder booking or waiting.
- Highest Safety Standards – Advanced leak-proof pipelines & regular safety checks.
- Pay Only for What You Use – Metered billing ensures transparency.
- Eco-Friendly Fuel – Contributes to cleaner and greener Goa.
- Space Saving – No need to store bulky cylinders at home.

## How PNG Benefits Your Home For Cooking:

- Instant flame with precise control.
- No risk of running out of gas mid-cooking.
- Cost-effective heating solution
- Can also be used for Water Geysers in Monsoon - For Continuous hot water supply.
