

**GOVERNMENT OF GOA
DEPARTMENT OF CIVIL SUPPLIES AND CONSUMER AFFAIRS**

URGENT APPEAL TO ALL COMMERCIAL ESTABLISHMENTS IN GOA

Hotels | Restaurants | Bakeries | Canteens | Dhabas | Food Processing Units | Hostels | Community
Kitchens | Hospitals | All Commercial LPG Users

★APPLY FOR PNG CONNECTION IMMEDIATELY★

Secure Additional 20% Commercial LPG Quota

(Total up to 40% as announced by Hon'ble Chief Minister Shri. Pramod Sawant)

In view of current commercial LPG supply constraints, the Ministry of Petroleum & Natural Gas (MoPNG) has approved an **additional 20% allocation**. To avail this enhanced quota, commercial establishments **must apply** for **Piped Natural Gas (PNG)** connection and submit the required undertaking declaring “state of readiness” for PNG supply.

Important Note:

You **do not** need immediate PNG infrastructure or connection. Many areas in Goa are still developing the pipeline network. Submitting the application + undertaking now registers your intent and makes you eligible for the additional 20% LPG quota without disrupting your current operations.

Primary Objective: To Get the Additional 20% LPG Quota Immediately

Benefits of Submitting PNG Application Now:

1. Immediate eligibility for the additional 20% commercial LPG quota.
2. Reduced long-term costs and no more cylinder booking/refilling hassles.
3. Cleaner, safer and more reliable energy for your business.
4. Supports Goa's vision for a greener energy ecosystem.

Simple Two-Step Process:

1. Contact your concerned CGD entity and submit:
 1. Commercial PNG connection application (available online or offline).
 2. The required MoPNG undertaking for “state of readiness” to receive PNG supply.
2. Provide basic details like business address, GST registration, and estimated gas load. A site survey will be scheduled in due course.
